MedMal Direct Recognized as one of NE Florida's Fastest Growing Companies

Jacksonville, Fla., July 21, 2015 (GLOBE NEWSWIRE) — Jacksonville-based MedMal Direct Insurance Company (MedMal Direct) has been recognized again as one of Northeast Florida's fastest growing companies. MedMal Direct achieved the #26 ranking on the Jacksonville Business Journal's annual list. According to the Jacksonville Business Journal, "The class of nominees increased in both size and scope from last year, proving to be very competitive." Ranking is based on the company's percentage of annual growth over a three-year period. MedMal Direct has grown its book of business to more than \$14 million in annual premium since introducing its direct-sales model to the medical malpractice insurance industry in 2010. "We are honored to receive this type of recognition and we owe our success to our customers and our extremely competent team. We remain committed to providing comprehensive coverage, superior service and meaningful savings to providers already feeling the squeeze of consolidation and shrinking reimbursements," said Butler Ball, CEO of MedMal Direct.
